

Here are the 3 options. Let me know which one you prefer. I am going to go with majority choice because prices could go up if we only order 1 or 2 of each. No obligation to order just for giving your opinion!

1. More sweatshirt like. Will be warmer, but will probably be too thick to tuck in – but not sure how much this will be a problem at winter shows. With embroidered logo on one side, it will be \$40.
